Question No : 3

In the TTrace default configuration, after how many days will the log files be deleted?

- A. 365
- B. 30
- C. 1
- D. 10

Answer: D

Explanation:

explanation

For every process, TTrace Server generates a log file and stores the log file in a specified folder on TTrace Server. By default, TTrace Server generates new log files every day and deletes them after 10 days. You can change the default settings through TTraceConfig.
