Answer:

Timeframe to perform action   **Action**

Immediately

| Remove the form. |
| Delete the form. |
| Import the form. |

Next week

| Modify the imported form in the QA environment. |
| Add the modified form to a new solution. |
| Add the original form to a new solution and modify. |

Question: 6

You need to ensure that the nurse is able to retrieve patient records within the All Patients View screen. Which view should you modify?

A. Advanced Find
B. All Patients
C. Quick Find
D. Lookup

Answer: C

Explanation:
A nurse uses the search on the All Patients view and cannot find a patient who left the clinic last year.

A view has a Quick Find box which will find all active records in the entity.
